ABOUT ME

I am a dedicated front-end developer with expertise in building responsive, user-centric web applications using HTML, CSS, Bootstrap, and JavaScript. My experience with modern frameworks like React and libraries such as jQuery enables me to create dynamic and interactive user interfaces. I have strong proficiency in back-end integration with PHP and MySQL, ensuring seamless functionality and robust data management. I am passionate about writing clean, optimized code and staying updated with the latest web technologies. My goal is to deliver visually appealing and highly functional websites that enhance user experience and drive business results.

EDUCATION

B.Tech Computer Science
Engineering

Bikaner University
2021 - 2025

Secondly School
G.S.S.S Sumerpur
2019 - 2021

EMPLOYMENT HISTORY

Frontend Developer

BigXtech | Ahmedabad

2022 - 2024

During my 1-year internship at Bigxtech, I had the opportunity to work on live projects, applying my front-end development skills in HTML, CSS, Bootstrap, and JavaScript. I gained hands-on experience with React for building dynamic user interfaces and utilized jQuery for enhanced functionality. I also integrated back-end systems using PHP and MySQL, ensuring smooth data flow and secure connections. Working on real-world projects allowed me to collaborate with cross-functional teams and refine my problem-solving and debugging skills. This internship significantly strengthened my technical expertise and adaptability, preparing me for future challenges in web development. It was a valuable experience that enhanced my ability to deliver robust, user-friendly, and scalable web applications.

Frontend Developer

Future Core innovation

2024 - 2024

At Future Core Innovation, I collaborated with a talented team on a live website development project, utilizing my expertise in front-end technologies like HTML, CSS, Bootstrap, and JavaScript. Working in a collaborative environment, I contributed to building responsive and user-friendly websites while ensuring smooth functionality and optimal performance. This experience enhanced my teamwork, communication, and technical skills, as we successfully delivered high-quality web solutions that met client requirements.
